

## ☐☐☐ Azienda

## ☐☐☐ Presentazione

La Divisione Valvolame della Ditta Assotherm, garantisce l'approvvigionamento di componenti per impiantistica in ottone, ghisa, ferro, come valvole a sfera, rubinetterie per riscaldamento, raccorderie per tubo ferro, rame, polietilene e multistrato, collettori, valvole di zona, valvole di ritegno, filtri d'impurità, valvole motorizzate, valvole a farfalla, filtri, valvole a saracinesca, raccorderia in ghisa e a saldare.

Un prodotto rigorosamente Made in Italy garantito dal marchio del produttore e dalle più importanti Certificazioni a livello mondiale (CSA, ACS, EN 331, EN 215, CEN). La produzione è costantemente controllata grazie al sistema di qualità ISO 9001.

La nostra azione è volta principalmente alla promozione di questi articoli in via sussidiaria lasciando alla nostra clientela tutti i benefici economici di un'approvvigionamento diretto col prezzo di produzione.

Contattateci per tutte le informazioni necessarie e per un'eventuale campionatura, ai recapiti di seguito:
